It's Arizona Beer Week and three breweries are coming together to take over the taps at **Hotel McCoy** from 7 – 10 p.m. on Friday, February 15.

This grouping actually spreads farther than the borders surrounding the state and then crosses into Mexico with **Buqui Bichi Brewing**. The brewery hails out of Hermosillo, Sonora and is bringing in a few beers for you to try.

**Borderlands Brewing Company** will also be at the event, along with Chandler's **SanTan Brewing Company** tapping in as well.

The event is free — you just need to buy your own beer — and you'll be able to meet the brewers, taste a brew from each of them, and grab something to eat from the food truck **Pinches**.

*Hotel McCoy is located at 720 W. Silverlake Rd. For more information, call (844) 782-9622 or visit [Hotel McCoy's Facebook event page](#).*
